Certificate of Authenticity

Disneyland Resort® certifies and guarantees the authenticity and uniqueness of the pure gold sculpture known as *Celebration Mickey*. We further certify that *Celebration Mickey* is a "one-of-a-kind" piece created as a tribute to honor Walt Disney during his 100th birthday celebration at the Disneyland Resort in 2001.

Celebration Mickey is the largest solid gold sculpture ever created in the United States, and the ultimate Disney collectible. The two-foot tall sculpture, designed by Disney artist Marc Delle, is specially cast from 1,501 troy ounces (more than 100 pounds) of 24-karat gold (.9999 fine). Disneyland Resort commissioned The Great Western Mint in Orem, Utah to produce the only *Celebration Mickey* that will ever be made. Valued at more than \$1 million, *Celebration Mickey* depicts the hallmark Walt Disney character, Mickey Mouse, dressed in his traditional button shorts, gloves, shirt and shoes.
